

Dear Valued Customer,

The 2010 Yard Waste season starts April 1<sup>st</sup>, 2010 and runs through November 30<sup>th</sup>, 2010. This is a service that is not part of your regular weekly trash or recycling collection. There is an additional fee for weekly yard waste collection that is paid directly to Veolia. **To subscribe to this service you need to fill out and send in the form below.** The yard waste rate is not prorated, so if you wait to sign up for this service until the summer or fall, the annual rate remains the same.

**Rates for 2010:**

- OPTION #1 - \$70.00 per subscription for the season with a 96 gallon cart
- OPTION #2 - \$30.00 for seasonal service from September 15<sup>th</sup> – November 15<sup>th</sup> (\$5.00/month cart rental – upon request)
- OPTION #3 - \$2.50 per bag or bundle for on call service (\$10.00 Minimum, and must call Veolia prior to service day)
- OPTION #4 – Dispose of your yard waste and brush for free at one of the Ramsey County compost sites.

**No more plastic bags:**

State law prohibits the use of plastic bags for yard waste delivered to a compost facility unless they are compostable. Veolia will only pick up yard waste that has been placed in Compostable plastic bags, craft/paper bags or a reusable container that can be dumped into the trucks.

Acceptable bags:

- Compostable plastic bags
- Craft/paper bags

*Bags are available at local ACE Hardware stores, Home Depot, Menards, Fleet Farm and other area retailers.*

**Do not mix yard waste with regular trash:**

Minnesota state statute 115A.931 prohibits disposing of grass clippings, leaves, weeds, garden waste, shrubs and tree waste in with your trash. Yard waste that mixed in with your regular trash can not be collected.

Brush needs to be bundled, no longer than four (4) feet in length, no bigger than three (3) inches in diameter, and weighing less than 35 pounds.
